## Financial Policy

Updated March 7, 2023

### Payment Responsibility

It is the account holders responsibility for all charges incurred, regardless of insurance coverage. It is always your right to request an insurance pre-determination prior to any dental treatment, but please note that we cannot control over the waiting time associated with this process. Most pre-determinations are processed within 2-4 weeks.

### Insurance

As a courtesy, we will file all insurance claims for you, provided you supply us with complete and accurate information. If you have a change in your insurance benefits, please notify us prior to your appointment. It is your responsibility to know your plan(s) benefits, and to pay any deductible, co-insurance or any balance not paid by your insurance company. Please note that your insurance is a contract between you/your employer and the insurance company. We are not a party to that contract. You are fully responsible for all fees and charges regardless of your insurance coverage.

### Payment Options

We accept payment by cash, check, American Express, Visa, Mastercard & Discover. We utilize Care Credit for outside financing. Patients who do not file dental insurance can receive a 10% discount on dental treatment ***paid in full at the time of service.*** There will be a \$30 surcharge for all checks returned from the bank due to insufficient funds.

### No Show & Late Cancellation Policy

We will charge a \$35 fee if you do no show up for your appointment or if you cancel less than 24 hours prior to the appointment time. This fee is not covered by my insurance. If you arrive late for an appointment you may be asked to reschedule. Appointment reminders are sent by e-mail, phone or text but it is ultimately it is patient responsibility to remember their appointment.

### Patient Billing & Overdue Balances

You will receive a monthly statement from us even while your insurance is pending. Any remaining balance after your insurance is processed is your responsibility, and a payment is expected promptly. Finance charges are placed on balances over 60 days old. If your bill is not paid in full after 90 days, your delinquent account will be sent to an outside collection agency. Collection fees and court costs may be added to your balance due.

I acknowledge that I have read through and understood this financial policy and agree to its terms.
